

JOINT EFFORT NEWS

Volume 2, Issue 4

Fall 2005

**Joint Effort is
Proud to
Announce our
New Website!**

Important Alert for Medicare Patients!

Joint Effort is keeping up with the times and excited to announce our new website.

We have provided a wealth of information about us and what we have to offer, right at your fingertips. You will find information and insight into our services.

We want to make ourselves available anytime day or night, to provide helpful information or answer questions you may have.

Whether there is a question concerning your health or wanting to see the services we provide, you will find a wide variety of options.

In less than 75 days you could experience a cut in outpatient therapy benefits you may need.

Congress is proposing a yearly benefit cap on these essential rehab services. This reduction in benefit would severely hamper your ability to receive needed therapy services in an outpatient setting such as Joint Effort.

Now! is the time to act and let your voice be heard and tell your Senators why implementation of the Therapy Cap *must be stopped*. You can contact Senator Wayne Allard at: 111 South Tejon, Suite 300 C.S.C. 80903, (719) 634-6071, Fax (719) 636-2590 or email him through his website: **allard.senate.gov**. Senator Ken Salazar can be contacted at: 3 S. Tejon, Suite 300 C.S.C. 80903

Congress must take action in 2005 to protect your benefits. Whether you are on Medicare, have a loved one that is, or shortly will be on Medicare, this affects you!

For your convenience we have placed a letter to a Senator on our website which includes all pertinent information to be addressed. Feel free to download, sign and send directly to a Senator on your behalf.

Joint Effort is here to help all of our patients and want to make sure our Medicare patients continue to get therapy that is truly needed. For additional info contact us at:

**2835 Dublin Blvd. 533-1318 or
2989 Broadmoor Valley Rd. 527-9331**

You will notice we have a letter addressed to both Senators. Feel free to send either or both letters.

We at Joint Effort are here to help you. Please do not hesitate to call if you need additional help. If you do not have access to the internet, we would be happy to mail you these forms so your voice is heard.
